

Live It Well

Switchfoot

Yeah
(I wanna live it well)
Yeah, yeah
(I wanna live it well)
Yeah Take the burden from my arms
Take the anchors off my lungs
Take me broken and make me one
Break the silence and make it a song Life is short; I wanna live it well
One life, one story to tell
Life is short; I wanna live it well
And you're the one I'm living for
Awaken all my soul
Every breath that you take is a miracle
Life is short; I wanna live it well, yeah
I wanna sing with all my heart a lifelong song
Even if some notes come out right and some come out wrong
Cause I can't take none of that through the door
Yeah, I'm living for more than just a funeral
I wanna burn brighter than the dawn Life is short; I wanna live it well
One life, one story to tell
Life is short; I wanna live it well
And you're the one I'm living for
Awaken all my soul
Every breath that you take is a miracle
Life is short; I wanna live it well, yeah I got one life and one love
I got one voice, but maybe that's enough
Cause with one heartbeat and two hands to give
I got one shot and one life to live
One life to live, yeah
And every breath you take is a miracle
Life is short; I wanna live it well
One life, one story to tell (one love)
Life is short; I wanna live it well
And you're the one I'm living for (the one, yeah)
Awaken all my soul
Every breath that you take is a miracle
Life is short; I wanna live it well
And you're the one I'm living for (One life) One life, one love
(One love) One life, one love
(One voice) One voice, yeah
(And that's enough) And that's enough, oh
(One heartbeat, two hands to give)

I got one shot and one life to live, one life to live
