

# Live It Well

## Switchfoot

Yeah  
(I wanna live it well)  
Yeah, yeah  
(I wanna live it well)  
Yeah Take the burden from my arms  
Take the anchors off my lungs  
Take me broken and make me one  
Break the silence and make it a song Life is short; I wanna live it well  
One life, one story to tell  
Life is short; I wanna live it well  
And you're the one I'm living for  
Awaken all my soul  
Every breath that you take is a miracle  
Life is short; I wanna live it well, yeah  
I wanna sing with all my heart a lifelong song  
Even if some notes come out right and some come out wrong  
Cause I can't take none of that through the door  
Yeah, I'm living for more than just a funeral  
I wanna burn brighter than the dawn Life is short; I wanna live it well  
One life, one story to tell  
Life is short; I wanna live it well  
And you're the one I'm living for  
Awaken all my soul  
Every breath that you take is a miracle  
Life is short; I wanna live it well, yeah I got one life and one love  
I got one voice, but maybe that's enough  
Cause with one heartbeat and two hands to give  
I got one shot and one life to live  
One life to live, yeah  
And every breath you take is a miracle  
Life is short; I wanna live it well  
One life, one story to tell (one love)  
Life is short; I wanna live it well  
And you're the one I'm living for (the one, yeah)  
Awaken all my soul  
Every breath that you take is a miracle  
Life is short; I wanna live it well  
And you're the one I'm living for (One life) One life, one love  
(One love) One life, one love  
(One voice) One voice, yeah  
(And that's enough) And that's enough, oh  
(One heartbeat, two hands to give)

I got one shot and one life to live, one life to live
