

Just Dippin' (feat. Dr. Dre and Jewell)

Snoop Dogg

Yeah, wanna say whattup to all them riders
All them siders, all them gangstas and all them beotchies
Yeah, we keep it gangsta, yeah, we keep it gangstaDippin' down Long Beach Boulevard
I only rides with my Doggs and I don't give a fuck
About none of y'all, I'm ridin' til the wheels fall off
I only rides with my DoggsDippin' down Compton Boulevard
I only rides with my Doggs, I don't give a fuck
About none of y'all, I'm ridin' til the wheels fall off
I only rides with my DoggsBeware of the big mash
You knew he wasn't finished witcha ass
He'll stay on it til it's burnt out, looked how it turned out
Nuttin' you can do, can't help you out
So fall down, Dr. Dre done fell back into the House
With the Pound, bitches keep throwin' pussy at us
We don't want it, yea bitch it don't matter
It's all about the money, if you got it, throw that upRide along witcha set and watch us
You motherfuckers can't do that yet
I skirt out, I hit a corner on ya, fuck doin' halfway
I do it to the fullest, I'll probably catch bullets on my last dayI hope a prayer come through so I
can eat
My shoes lookin' like about a buck fifty each but I ain't trippin'
But I'ma come up, that's on my momma
Now that's on me, 'cause that's a burden on my mommaAnd she done suffered, the shit's gettin'
rougher
And when the goin' get tough, the tough get a strap
And low ridin's on the map
Snoop Dogg's number 1, the whole Pound's got snaps
Yeah, tell me, have you seen us?
Bendin' corners on gold Daytona's, we heated so beat it
However you want it, naw, however you need it, we just dippin'
Bendin' corners on gold Daytona's, we heated so beat it
However you want it, naw, however you need it, we just dippin'
Bendin' corners on gold Daytona's, we heated so beat it
However you want itActin' a fool, nigga done paid his dues
And got my receipt in return so I recline the leather seats
With a trunk full of beats and chronic filled leafs to burn
No concern as I make a left turn on the Sharpe
Off of Jefferson, feelin' awfully naked at the U-turnShit, left my gun, that's a no-no
Fuck Ronald Parks, I'm my own po'-po'
Nigga talkin' dirty after dark, startin' stuff
May have to mark up a nigga FUBU logo
Lettin' off like a Ruger promoAnd even though I'm about the hoes, I never doubt the dulos

You know the rule goes, where there's a hoe there's a hater
Well, there's some hoes over there
And I concentrate on the haters later Give these bitches numbers to the pager
Invite 'em to the next Dre function as party favors
Who said pimpin's hard labor? Bendin' corners on gold Daytona's, we heated so beat it
However you want it, naw, however you need it, we just dippin'
Bendin' corners on gold Daytona's, we heated so beat it
However you want it, naw, however you need it, we just dippin'
Bendin' corners on gold Daytona's, we heated so beat it
However you want it, naw however you need it, we just dippin' Hey, oh yeah, oh yeah
Better watch out 'cause here we come
Always dippin'
Better watch out 'cause here we come
Always dippin' Better watch out 'cause here we come
Always dippin'
Better watch out 'cause here we come
We're always, dippin'
Better watch out 'cause here we come
Al always, dippin' Better watch out 'cause here we come
We're always, we're dippin'
Better watch out 'cause here we come
In them streets, dippin'
Better watch out 'cause here we come
Hittin' them corners, dippin'
Better watch out 'cause here we come Bendin' corners on gold Daytona's, we heated so beat it
However you want it, naw, however you need it, we just dippin'
Bendin' corners on gold Daytona's, we heated so beat it
However you want it, naw however you need it, we just dippin'
Bendin' corners on gold Daytona's, we heated so beat it
However you want it
