Red Flag

Billy Talent

Cast off the crutch that kills the pain

The red flag wavin' never meant the same

The kids of tomorrow don't need today

When they live in the sins of yesterdayCast off the crutch that kills the pain

The red flag wavin' never meant the same

The kids of tomorrow don't need today

When they live in the sins of yesterdayWell, I've never seen us act like this

Our only hope is in minds of kids

And they'll show us a thing or twoOur only weapons are the guns of youth

It's only time before they tighten the noose

And then the hunt will be on for you

The red flag waving never meant the same, no

the red flag waving never meant the sameCast off the crutch that kills the pain

The red flag wavin' never meant the same

The kids of tomorrow don't need today

When they live in the sins of yesterdayCast off the crutch that kills the pain

The red flag wavin' never meant the same

The kids of tomorrow don't need today

When they live in the sins of yesterdayLike the smallest bee packs a sting

Like the pawn checkmates a King

We'll attack at the crack of dawnBuild a ladder if there's a wall

Don't be afraid to slip and fall

Speak for yourself or they'll speak for you

the red flag waving never meant the same, no

the red flag waving never meant the same, nooCast off the crutch that kills the pain

The red flag wavin' never meant the same

The kids of tomorrow don't need today

When they live in the sins of yesterdayCast off the crutch that kills the pain

The red flag wavin' never meant the same

The kids of tomorrow don't need today

When they live in the sins of yesterdayLike a fire, don't need water

Like a jury, needs a liar

Like a riot, don't need order

Like a madman needs a martyrWe don't need them

We don't need them

We don't need them

We don't need themWe don't need them

We don't need them

We don't need them

We don't need them

Cast off the crutch that kills the pain

The red flag wavin' never meant the same

The kids of tomorrow don't need today
When they live in the sins of yesterday
Cast off the crutch that kills the pain
The red flag wavin' never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday
Cast off the crutch that kills the pain
The red flag wavin' never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday
