

# Yeah Boy

## Kelsea Ballerini

Captured my attention  
Make my heart stop and listen  
When you look my way  
Blue jeans and a ball cap  
Thinking that you're all that  
And I'm thinking the same You got that something in your eyes  
I think about it all the time  
If you ever wonder  
If I wanna make you mine Yeah boy  
I'm digging what you're doing  
Yeah boy  
I'm trying to keep it cool  
But you're making it hard  
I'm wishing your arms  
Were wrapping me up tight  
Yeah boy  
You shine and you can't even help it  
Yeah boy  
Your eyes could make the moon jealous  
And if you wanna know  
If I wanna be your girl tonight  
Yeah boy Every song that's playing  
Gets me thinking about you baby  
And the way you roll  
So, let's  
Put down the drop top  
Burn a little black top  
Off that road Baby what we're waiting on  
The stars are out the night is young  
If you wanna know  
If I wanna go and get gone  
Yeah boy  
I'm digging what you're doing  
Yeah boy  
I'm trying to keep it cool  
But you're making it hard  
I'm wishing your arms  
Were wrapping me up tight Yeah boy  
You shine and you can't even help it  
Yeah boy  
Your eyes could make the moon jealous  
And if you wanna know

If I wanna be your girl tonight  
Yeah boy Yeah boy  
I wanna take a little ride with you  
Yeah boy  
I wanna spend a little time with you  
Yeah boy  
I wanna sip a little wine with you  
Oh oh oh Yeah boy  
I wanna take a little ride with you  
Yeah boy  
I wanna spend a little time with you  
Yeah boy  
I wanna sip a little wine with you  
Oh oh oh Yeah boy  
I'm digging what you're doing  
Yeah boy  
I'm trying to keep it cool  
But you're making it hard  
I'm wishing your arms  
Were wrapping me up tight Yeah boy  
You shine and you can't even help it  
Yeah boy  
Your eyes could make the moon jealous  
And if you wanna know  
If I wanna be your girl tonight Yeah  
Yeah boy  
Yeah boy Yeah boy  
I wanna take a little ride with you  
Yeah boy  
I wanna spend a little time with you  
Yeah boy  
I wanna sip a little wine with you  
Oh oh oh  
Yeah boy  
I wanna take a little ride with you  
Yeah boy  
I wanna spend a little time with you  
Yeah boy  
I wanna sip a little wine with you  
Oh oh oh  
Yeah boy
