

# The Number Song

Logan Paul

1, 2, 3, 4, 5, 6, 7, 8  
9, 10, 11, 12, 13, 14  
15, 16, 17, 18, 19, 20  
21, 22, 23, 24, 25  
26, 27, 28, 29, 30 Fuck all the haters that said I couldn't do it  
I said I'd count to 30 and you know I'd fuckin' do it  
I'm that boy (that's my boy)  
And I love to count  
I'm that boy (that's my boy, that's my boy)  
That's my boy, that's my boy  
I'm that boy, that's my fuckin' boy  
That's my boy, that's my boy, i'm that boy I fuck with you if you say you love to count  
Counting is my favorite and that's what this song's about  
Sing it loud and sing it proud  
'Cause, no, this ain't the alphabet, just in case you had a doubt  
It's like...  
1, 2, 3, 4, 5, 6, 7, 8  
9, 10, 11, 12, 13, 14  
15, 16, 17, 18, 19, 20  
21, 22, 23, 24, 25  
26, 27, 28, 29, 30 I saw your face  
When I counted up to ten, you knew it wasn't 30  
My mom's ashamed  
I know if I don't finish, you'll probably disown me  
Is it Einstein?  
Is it Newton?  
Galileo?  
Maybe Uller?  
That's giving me this power  
To finish what I started  
'Cause I never thought that numbers were better  
I could never wrap my head around that letter  
I know I have to follow my heart  
1, 2, 3, 4, 5, 6, 7, 8  
9, 10, 11, 12, 13, 14  
15, 16, 17, 18, 19, 20  
21, 22, 23, 24, 25  
26, 27, 28, 29, 30 I fuck with you if you say you love to count  
Counting is my favorite and it's what this song's about
