

# My Love (feat. Kenny Chesney)

Lionel Richie

I've been through so many changes in my life woman  
It's a wonder I ain't lost my mind  
And I ain't never said how much I need you sugar  
But I should need you by my side My love, just thinking about you baby  
Just blows my mind  
My love, just thinking about you baby  
Just blows my mind all the time Life with me I know for sure it ain't be easy  
But you stayed with me anyway  
And even though you ain't gonna lose too much by leaving  
I'm so glad you stayed My love, just thinking about you baby  
Just blows my mind  
My love, just thinking about you baby  
Just blows my mind all the time  
You've been my friend and you've been my lover, oh lord  
Honey you're everything I need  
You've made my love so strong now I know where I belong  
Oh girl you'll never have to worry  
Oh baby any more, any more  
My love, just thinking about you baby  
Just blows my mind  
My love, just thinking about you baby  
Just blows my mind all the time
