

# Animal (Fuck Like a Beast)

W.A.S.P.

I got pictures of naked ladies  
Lying on their beds  
I whiff that smell and sweet convulsion  
Starts a swelling inside my head I'm makin' artificial lovers for free  
I start to howl, I'm in heat  
I moan and growl and the hunt drives me crazy  
I fuck like a beast I come around, round I come, feel your love  
Tie you down, down I come, steal your love  
I come around, round I come, feel your love  
Tie you down, down I come, steal your love  
I'm on the prowl and I watch you closely  
I lie waiting for you  
I'm the wolf with the sheepskins clothing  
I lick my chops and you're tastin' good I do whatever I want to do ya  
I'll nail your ass to the sheets  
A pelvic thrust and the sweat starts to sting ya  
I fuck like a beast I come around, round I come, feel your love  
Tie you down, down I come, steal your love  
I come around, round I come, feel your love  
Tie you down, down I come, steal your love Come ride, savage seduction  
Ride, ride, ride, ride  
I come around, round I come, feel your love  
Tie you down, down I come, steal your love  
I come around, round I come, feel your love  
Tie you down, down I come, steal your love Animal
