

# Words I Never Said (feat. Skylar Grey)

## Lupe Fiasco

It's so loud inside my head  
With words that I should have said  
As I drown in my regrets  
I can't take back the words I never said  
I can't take back the words I never said I really think the war on terror is a bunch of bullshit  
Just a poor excuse for you to use up all your bullets  
How much money does it take to really make a full clip?  
9/11, Building 7, did they really pull it? Uh, and a bunch of other cover ups  
Your child's future was the first to go with budget cuts  
If you think that hurts them, wait, here comes the uppercut  
The school was garbage in the first place, that's on the up and up  
Keep you at the bottom, but tease you with the upper crust  
You get it, then they move it, so you never keeping up enough  
If you turn on TV, all you see's a bunch of what-the-fucks  
Dude is dating so-and-so, blabbering 'bout such and such And that ain't Jersey Shore, homie  
that's the news  
And these the same people supposedly telling us the truth  
Limbaugh is a racist, Glenn Beck is a racist  
Gaza Strip was getting bombed, Obama didn't say shit That's why I ain't vote for him, next one  
either  
I'm a part of the problem, my problem is I'm peaceful  
And I believe in the people  
Yeah It's so loud inside my head  
With words that I should have said  
As I drown in my regrets  
I can't take back the words I never said  
Now we can say it ain't our fault if we never heard it  
But if we know better, then we probably deserve it  
Jihad is not a holy war, where's that in the worship?  
Murdering is not Islam, and you are not observant And you are not a Muslim  
Israel don't take my side, 'cause look how far you've pushed them  
Walk with me into the ghetto, this where all the kush went  
Complain about the liquor store, but what you drinking liquor for? Complain about the gloom,  
but when'd you pick a broom up?  
Just listening to Pac ain't gon' make it stop  
A rebel in your thoughts, ain't gon' make it halt  
If you don't become an actor, you'll never be a factor Pills with million side effects, take 'em  
when the pain's felt  
Wash them down with diet soda, killin' off your brain cells  
Crooked banks around the world would gladly give a loan today  
So if you ever miss payment they can take your home away It's so loud inside my head  
With words that I should have said

As I drown in my regrets  
I can't take back the words I never said, never said  
I can't take back the words I never said I think that all the silence is worse than all the violence  
Fear is such a weak emotion, that's why I despise it  
We scared of almost everything, afraid to even tell the truth  
So scared of what you think of me, I'm scared of even telling you Sometimes I'm like the only  
person I feel safe to tell it to  
I'm locked inside a cell in me, I know that there's a jail in you  
Consider this your bailing out, so take a breath, inhale a few  
My screams is finally getting free, my thoughts is finally yelling through It's so loud inside my  
head  
With words that I should have said  
As I drown in my regrets  
I can't take back the words I never said
