

Sound Check (Gravity)

Gorillaz

Gravity on me
Never let me down gently
Gravity with me
Never me let me go, no no
Gravity...
I don't pull me down
I don't pull me down on me
I don't pull me down
I don't pull me down on you Gravity on me
Never let me down gently
Gravity with me
Never me let me go, no no
(I don't pull me down
I don't pull me down on you)
Gravity on me
Never pull me down gently
(I don't pull me down
I don't pull me down on me)
Gravity with me
Never me let me go, no no
(I don't pull me down
I don't pull me down on you)
Gravity on me
Never pull me down gently
Gravity with me
(I don't pull me down
I don't pull me down on you)
Never let me down, no no
Gravity... Dont Take Me Back With YouDont Take Me Back Back Back
