

Sauce All on Me

Coca Vango

Can't control my drip
Sauce all on me
Who gone clean this shit
Sauce all on me
Ice on my neck, ice on my bitch
Sauce all on me
I got the drip
Sauce all on me
Who-oooh-oooh-oooh-oooh... sauce all on me
Pull up to the club wit a check (ching-ching. ching)
Rollies, APs, and Pateks (cha-ching. ching)
Got the baddest bitches wit me in my section (sec-tion)
I look like Mr. T: I'm rockin' 20 necklace(s) (whooh, sauce all on me)
I wanna drip like that (like that)

Get a bitch just like that
Bad bitch from Wakanda ('kanda)
Lobster my lasagna ('sagna)
Hundred rounds for the watchers (whooh)

Get a hundred dollar line-up (yeah)
Make these bad bitches line up (line em up)
Got your bitch on a island (island)
Good luck tryna find her ((whoa))
Can't control my drip
Sauce all on me
