

I Don't Blame You

Phantogram

And when you talk, I'm barely listening
I'm on the wrong side of town
And I'm wrapped up in gauze
I should've known, that I can turn around
It's taking everything, It's taking everything Cause I don't blame you
No I don't blame you
I don't blame you
No I don't blame you
It's just a day
I'm feeling so collect
A happy day
Should never have to hurt so bad Cause I don't blame you
No I don't blame you
I don't blame you
No I don't blame you Cause I don't blame you
No I don't blame you
I don't blame you
No I don't blame you
It's just a day
I should've slept it off
I should've stayed in bed
I should've took your call
