

# Sweet Lies (feat. Karen Harding)

## Wilkinson

Softly.  
Here upon my pillow  
When the words are spoken  
And you're here with me alone  
Your kiss.  
Ignorance is my bliss  
When promises are empty  
When they're all I have to hold (sweet lies) So tell me your sweet lies.  
I'm not giving up your love.  
As long as there's sweeeet lies.  
I wanna hold, I wanna hold on to your sweeeet lies.  
I'm not giving up your love.  
You're nothing but sweeeet lies.  
Look me in the eye, can't you tell me.  
I'm just another love you could leave behind. Look me in the eye, can't you tell me.  
Is there any love here or just sweeeet lies.  
Fearless  
Though we live in secret  
I only live for your touch  
Enough love for the both of us  
Wasted  
Impossible to face it.  
Can we keep it in the shadow.  
Cause I never ever wanna let you go. So tell me your sweet lies.  
I'm not giving up your love.  
As long as there's sweeeet lies.  
I wanna hold, I wanna hold on to your sweeeet lies.  
I'm not giving up your love.  
You're nothing but sweet lies.  
Look me in the eye, can't you tell me.  
I'm just another love you could leave behind. Look me in the eye, can't you tell me.  
Is there any love here or just sweeeet lies.  
So tell me your sweeeet lies.  
I'm not giving up your love.  
As long as there's sweeeet lies.  
I wanna hold, I wanna hold on to your sweet lies.  
I'm not giving up your love.  
You're nothing but sweet liesss.
