

Police and Thieves

The Clash

Police and thieves in the streets
Scaring the nation with their guns and ammunition
Police and thieves in the street
Fighting the nation with their guns and ammunition From Genesis to Revelation
The next generation will be, hear me
From Genesis to Revelation
The next generation will be, hear me And all the crowd comes in day by day
No one stops it in any way
And all the peacemaker turn war officer
Hear what I say
Police and thieves in the streets
Scaring the nation with their guns and ammunition
Police and thieves in the street
Fighting the nation with their guns and ammunition From Genesis to Revelation
The next generation will be, hear me And all the crowd comes in day by day No one stops it in
any way
And all the peacemaker turn war officer
Hear what I say
Police, police, police and thieves Police, police, police and thieves
From Genesis
Police, police, police, police and thieves
Scaring, fighting the nation
Shooting, shooting their guns, guns and ammunition
Police, police, police and thieves
Here come, here come, here come, the station is bombed
Get out get out get out, you people
If you don't wanna get blown up
The police, the police, the thieves, the thieves
You got an axe to grind
And you are trapped in the middle of police, police, police...
