

Little Miss Can't Be Wrong

Spin Doctors

Been a whole lot easier since the bitch left town
It's been a whole lot happier without her face around
Nobody upstairs gonna stomp and shout
Nobody at the back door gonna throw my laundry out
She hold the shotgun while you do-si-do
She want one man made of Hercules and Cyrano
Been a whole lot easier since the bitch is gone
Little Miss, Little Miss, Little Miss Can't Be Wrong
Little Miss, Little Miss, Little Miss Can't Be Wrong

Ain't nobody gonna bow no more when you sound your gong
Little Miss, Little Miss, Little Miss Can't Be Wrong
What'cha gonna do to get into another one of these rock 'n' roll songs?
Other peoples thoughts they ain't your hand-me-downs
Would it be so bad to simply turn around
You cook so well, all nice and French
You do you brain surgery too, mama with a monkey wrench
Little Miss, Little Miss, Little Miss Can't Be Wrong
Ain't nobody gonna bow no more when you sound your gong
Little Miss, Little Miss, Little Miss Can't Be Wrong
What'cha gonna do to get into another one of these rock 'n' roll songs?
Can't be wrong, no no no
Can't be wrong
Oh, you can't be wrong
Can't be wrong

You can't be wrong
I hope those cigarettes are gonna make you cough
I hope you hear this song and it pissed you off
I take that back, I hope your doing fine
And if I had a dollar I might give you ninety-nine
Little Miss, Little Miss, Little Miss Can't Be Wrong

Ain't nobody gonna bow no more when you sound your gong
Little Miss, Little Miss, Little Miss Can't Be Wrong
What'cha gonna do to get into another one of these rock 'n' roll songs?
Little Miss, Little Miss, Little Miss, Little Miss Can't Be Wrong
No no no no no no no
Oh, you can't be wrong
Oh, you can't be wrong
You can't be wrong
Oh, Little Miss, Little Miss, Little Miss, Little Miss Can't Be Wrong, no
Oh, you can't be wrong
Little Miss, Little Miss, Little Miss, Little Miss Can't Be Wrong, no
Oh oh
