Digital Bath

Deftones

You move, like I want to To see, like your eyes do We are, downstairs where no one can see... New life break awayTonight I feel like more Tonight I...You make the water warm You taste foreign, and I know you can see The cord break away'Cause tonight, I feel like more Tonight I feel like more I fell like more... Tonight... You breathed Then you stopped I breathed, then dried you off And tonight I feel, feel like more... Oh, tonight, I feel like Feel like more... Tonight, I feel like more Feel like more... Tonight...
